

KING'S WAY EYE CLINIC & OPTICAL

What should I bring with me to my eye exam?

Please bring the following items to your exam:

1. Bring your filled out Patient questionnaire/information form
2. All current eyeglasses and contact lenses you use, including your most used over the counter reading glasses and all previously written glasses or contact lens prescriptions. Do not sleep in your contacts the night before your exam.
3. A list of any and all medications and any nutritional supplements you are taking.
4. A list of questions to ask the doctor.
5. Bring your medical or vision insurance card if you will be using it for a portion of your fees. We typically pre-authorized your visit through your insurance company.
